- Use your inside voice when you are anywhere inside the church.
- Do not bring items (toys, games etc.) from home or school to church with you. If you do, please leave those items in your backpack or they will be taken up and returned to you at the end of the night. - Absolutely no pocket knives or weapon type toys/items are allowed in the church.
- No children are allowed in the storage or costume area at any time without adult supervision.

We have a "one time warning" rule. You will receive one warning to stop whatever it is your doing. If you continue to break a rule, you will be placed in a 10 minute timeout somewhere outside of the area that the other children are in. If you continue to break the rules after the timeout, your parent will be asked to come and sit with you or pick you up.

We know that each of you is capable of following the guidelines. If we follow the guidelines we can all have a great time and learn more about Jesus and His teachings. Let's all have a great year!!
